

Join the Atlanta Toulouse Sister Cities Committee at a special presentation on cheeses (primarily) and wines that go with them.

WHERE – Fresh Market at 2290 Peachtree Road (on the left going south on Peachtree, about 2 blocks before you get to Piedmont Hospital.) We'll gather in the back left corner of the store (near the cash registers.) There are parking lots in front and behind the store, with an elevator up to the store from the back
Goal = 15 to 30 participants.

WHEN – Tuesday 12/16/2014 at 2 PM

SPECIAL INCENTIVES – There will be a drawing for a gift. There will be cheese tasting, and a sample of European soft drinks (Fresh Market is not allowed to serve wine in the store.) There will be many items on sale. You may be able to get an answer to that special cheese question that has been nagging at you. Fresh Market will also show us French food items that they have available.
